# GUERISAES

The community of “Don Orione” in Guerisaes welcomes more than 190 children who would otherwise live on the street. Here, they are safe from the local organised crime, they can attend school and have access to the canteen. The centre offers also professional courses where the kids can learn a job so that they can be independent in the future, such as: the computer laboratory, bakery and the carpentry.

We sent € 15.000 to help cover the cost management of the centre.
