

# RWANDA

Rwanda is a small African Country with one of the highest population density.

In 1994 the civil war between the Hutu and Tutsi hit the Country and it ended with the genocide of more than 800.000 civils.

War left a broken Country that has been trying to turn around its economy for years.

## NKUMBA

The community of Nkumba, “Petit Seminaire Saint Jean” welcomes children in need. Don Valens manages the centre where the children can have an education, health care and a correct nutrition. Need You Onlus sent € 5.500 to help cover the significant management cost of the centre.

Thanks to the managers of the “ASD Sorgente” of Acqui Terme, we could send: soccer uniforms, soccer balls and soccer shoes so that the kids could finally play all together.

## RUHENGERI

The school “Marie Reine Rwaza” was established in 1986. After the civil war and the genocide it faced several difficulties. Nowadays the school welcomes about 850 students.

The biggest issue the community had to face was the lack of adequate hygienic services: the centre only had 10 toilet facilities for both the staff and the students.

Need You Onlus sent € 2.500 to help build 50 new toilet facilities.

We also sent essential humanitarian goods such as t-shirts, 1.000 pens and men clothes.
