

ROMANIA

ORADEA

The educational centre of Oradea, run by "Don Orione", hosts approximately 300 children. The centre includes a school, a scout group and an oratory. The association asked us for help to overcome the architectural barriers of the school and to install an elevator so that the school would be able to accommodate disabled students. Together with the "Rotary Club of Canelli and Nizza Monferrato", we were able to support the association.

VOLUNTARI

In Voluntari, the "Don Orione" association manages a shelter. The centre hosts 60 elderly people and 150 children with severe disabilities. Furthermore, the association supports a group of orphan girls and helps them find a job.

The centre has a ward with 30 beds for adults with physical and mental disabilities and who were expelled by law after the age of 18 from the reception centres.

The day centre welcomes children with autism or with communication disorders.

Together with the Rotary Club of Canelli and Nizza Monferrato, we have started an agricultural development project at a cost of € 75,500. It is a good possibility to teach the residents a job and it is also contributes to the sustenance of the community.

We periodically send essential humanitarian goods including rice, pasta, flour thanks to the help of the “Rapetti Food Services” company, the “Molino Cagnolo” company.

In 2019 we were able to send 8 doors, 7 furniture, 2 boilers, 4 gas stoves, 2 pallets of Juventus t-shirts given to us by Arnaldo Malfatto and Piero Chiesa of the "One More Life Association", 16 boxes of blankets, duvets and sheets, 528 boxes of clothing, a full kitchen, 3 desks, 5 televisions, 12 boxes of diapers, 27 plastic chairs, 30 tires.
